Antiques | Rare Coins | Bullion | Watches | Paper Money | Foreign Coins | Scrap Gold | Diamonds & Gems | Jewelry | Sterling | Photography

After relocating to Lafayette, California and joining my wife Leila Douglah, it is a great pleasure to introduce myself to the Lamorinda community.

Working around old coins and antiques has been a great blessing, as these are the things that have always interested me. Yolo Gold and Silver has been going strong for over 30 years, and I am now pleased to be offering my services in the Lamorinda area.

If you need values, appraisals, liquidation assistance, or simply have questions, I hope you will call. Consultations are always free and confidential.

WELCOME TO LAFAYETTE

Lafayette is a place like no other, offering all the amenities that residents could ask for: a mild climate, safe community, great schools, and semi-rural natural beauty highlighting the best of northern California, with a laid back personality all its own. Mayberry-west to folks of a certain age with friendly welcoming neighbors, a world class Library and Learning Center, lots of healthy sporting activities for kids smack dab among lovely rolling hills and mature oak trees. In the vibrant downtown area, a cornucopia of thriving shops offers something for everyone. A stroll down Mt. Diablo Boulevard is a testament to the liveliness and vitality that first rate businesses bring to our small city.

The Lafayette Chamber of Commerce plays an essential role in supporting these local businesses by providing networking opportunities, promoting the community through beloved annual events such as the Art and Wine Festival and the Reservoir Run and at functions throughout the year which help bring activity downtown. Executive Director Jay Lifson, along with the dedicated team of Karen Rose, Barbara Gilmore and Linda Carlson, are masters of celebrating and being tireless advocates for nearly 700 Chamber members.

A growing number of restaurants and services bring vigor, yes, and a bit of traffic, to establishments up and down the boulevard, which offer everything from manicures to bison burgers to a second generation car wash, and a third generation flooring store.

With an impressive construction job to beautify streetscapes on the east end of town completed in early 2014 and a number of highly anticipated restaurants recently opening their doors, Lafayette has become a food mecca. Residents in our community know how to appreciate everything from the best coffee cake ever to organic dog treats. Being a magnet to discriminating diners brings customers to other establishments, enticing this affluent demographic to stay, shop and, of course, eat.

A handful of local business owners, some new and some with years of experience, were asked what they love about having an enterprise in Lafayette. You'll see their responses throughout this directory; they center around neighborliness and loyal customers. Millie's Kitchen, now owned by Eva Clement, has been a fixture for more than 30 years; family run Lafayette Car Wash & Detail Center has been around almost as long, 24 years and counting, and is owned by Blake Wellen and his dad Jesse. Venture Quality Goods clothing shop, just opened in September 2012 by Rosylyn and Tom Stenzel, features items made or designed in California. Pals Carole Sinclair and Kim Berry opened Farmyard Darlings, circa 2011, a unique shop with vintage treasures and items that have been magically transformed into functional home décor. And Hobie and Ann Woods are in the business of fun, with a record breaking 42 summers running Roughing It Day Camp.

Dine in Lafayette

Restaurants do more than feed us; indeed, they often serve as that place beyond work and home where we gather with family and friends to socialize, entertain and relax. Restaurants can nourish the soul as well as the body. Lafayette has grown into a culinary micro-mecca, offering a variety of choices. Lafayette's pleasant climate, and small town feel are drawing strikingly good restaurants to Mt. Diablo Blvd. and the customers are following. Over the last 10 years, Lafayette's Restaurant Row has grown to more than 60 restaurants.

More than just fun and convenient, eating out is also good for our City coffers. In fact, 21 percent of the city's sales tax comes from restaurants – that's over half a million dollars in revenue that pays for police, public works, parks and other city services. What a terrific reason for you and your family to eat out more often.

Lafayette Chamber of Commerce

The Lafayette Chamber of Commerce is one of the oldest and certainly the largest volunteer organization in Lamorinda. We have served the community as an independent nonprofit agency for over 65 years. Our membership is now over 700 strong.

Our mission is "To promote and maintain a healthy business climate and to preserve and enhance the quality of life in Lafayette." Green Hills and Great Schools are what most people know Lafayette for. The Chamber's contribution is to help create and build a strong local economy.

After our city completed a 6-year process to develop a Downtown Specific Plan, we now have a clear roadmap to help create a downtown with small town character and a sustainable quality of life that includes a central core, pedestrian friendly services and a place where residents can gather, shop and savor the beauty of our small town. The chamber encourages economic activity and represents the interests of business with government.

We are proud to be a part of this beautiful community.

SHOP LAFAYETTE

With its tree-lined streets, small town atmosphere, and wide variety of shops, restaurants and specialty stores, shopping in Lafayette is just plain old fun!

But shopping locally also means you are supporting local businesses as well as the larger community. Nearly one third of the city's budget comes from sales taxes collected in Lafayette, and this money is used to fund street repairs, police services and youth and senior services.

On a dollar basis, this means that approximately 12 percent of every single dollar spent with local businesses ends up staying in the community.

Lafayette History

Brown's Mill, Brown's Corners, Centerville, La Fayette - our community has had many names. It was officially granted the name Lafayette in 1855 when Benjamin Shreve, who had been the town's first school teacher, applied for a post office for the village, which was to be located in his general store.

Located on land that once encompassed an entire Mexican land grant (Acalanes Rancho) and portions of four others, Lafayette was first settled in 1848. While the original land grant was made in 1834 to Candelario Valencia, the town founder was the third Rancho owner, Elam Brown. He bought the one square league Rancho for $900.

As the hamlet straddled the road that led from the Moraga Redwoods to the lumber shipping point at Martinez, early Lafayette became a stop-over spot for wagon drivers. When Brown established a grist mill in 1853, the center of the farming village moved toward the present Mt. Diablo-Moraga Road intersection.

Lafayette remained a quiet farming village until the post-World War II building boom turned cornfields into housing developments.

The City marked the 150th anniversary of the arrival of the Yankee settlers in 1998. Throughout the year-long Sesquicentennial celebration, several new monuments to our history were dedicated. These sites included the spot on Happy Valley Road where founder Elam Brown and his family built their first home; the site of the Pony Express Station, which served from 1860-1861, located near the present intersection of Mt. Diablo and Moraga Road; and the homestead of Jennie Bickerstaff, the community's third teacher, on what is now the Diablo Foods parking lot.

Vineyards & Viticulture

Lamorinda's combination of unique terrain, warm days and cool nights makes it perfect for growing grapes and the Lamorinda Wine Growers Association is actively seeking official recognition of Lamorinda as a specific grape growing region or American Viticultural Area (AVA).

Lamorinda has a unique climate, protected from coastal cooling influences, with multiple microclimates due to its hills and protected valleys. The topography allows for shallow soil and good run-off, reducing the amount of moisture that is held in the soil. Many of the vineyards are small and tucked into suburban neighborhoods. All of the grapes are hand-grown and harvested.

Our local winemakers may not be large in size or number, but they produce an impressive array of wines including Cabernet, Merlot, Petite Syrah, Sangiovese, Viognier, Zinfandel, Sauvignon Blanc, Chardonnay, Petit Verdot, and Pinot Noir.

Most of Lamorinda's bonded wineries produce only a few hundred cases of wine per year. Some can be found in local restaurants and select retail outlets, and many offer on-line orders. To find more information visit www.lamorindawinegrowers.com.

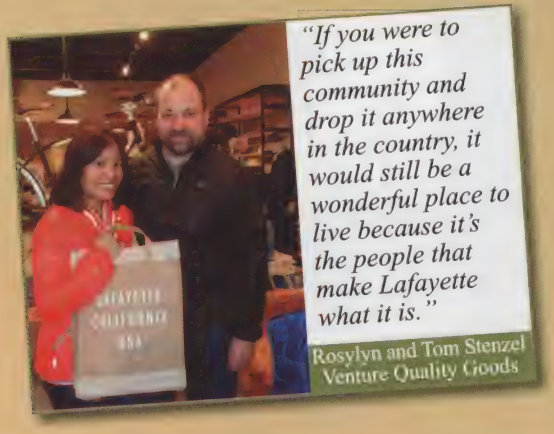
HISTORIC TOWN HALL

Celebrating 100 years in 2014, the historic Lafayette Town Hall originally opened in 1914 to host community meetings and social events. The first event in the new Town Hall was a Grand Ball, the first of many Saturday night dances in Lafayette.

In 1941, LIC Lafayette Improvement Club was reorganized under a new constitution and became today's Lafayette Improvement Association. Town Hall continued to be used by many organizations in many ways. Lafayette Grammar School used the facility as its auditorium until the school auditorium was built in 1944. Activities included community meetings, church services, movies, and basketball. In 1941 theatrical performances were launched by the Lafayette Playshop. Their opening night was December 3, 1941, the eve of the U.S. entry in World War II. During the next four years, the building's use was devoted to the war effort.

Live theater returned to Lafayette in 1947 when the Straw Hat Review rented Town Hall. In 1955, the Dramateurs began performing. From 1956 till 1986, a local group entertained local residents with a show called "The Laf-Frantics."



"If you were to pick up this community and drop it anywhere in the country, it would still be a wonderful place to live because it's the people that make Lafayette what it is."
Rosylyn and Tom Stenzel
Venture Quality Goods

The Dramateurs reorganized as Town Hall Theatre Company in 1991 and continues to flourish today as the oldest continuously active live theater in Contra Costa County. Over the years the group has earned more than its share of "Shellie Awards," the county's equivalent of Tony Awards. Each season brings six new productions to the friendly and intimate environs of Town Hall. Town Hall Theatre educational programs introduce children and teens of all ages to the magic of theater.

TOWN HALL MUSIC SERIES

Since 2009, Town Hall Theatre has been host to the Town Hall Music Series. For four or five nights a year, Town Hall is packed with passionate live music fans, sometimes up and dancing to the music of the Bay Area's best tribute bands, and on other occasions, sitting back and enjoying some of the East Bay's premier singer/songwriters during the annual Lafayette Community Music Festival, now in its 4th year, and held on the first Saturday of May. With 182 comfortable seats, dazzling sight lines, a full bar downstairs, intimate acoustics and an oversized stage, hosting live music is the newest way to bring the community together and, in this case to have fun and boogie a little bit.

CAL SHAKES

Celebrating its 40th anniversary season in 2014, California Shakespeare Theater, a nationally recognized regional theater commonly referred to as Cal Shakes, presents Shakespeare's works along with contemporary stage classics between June and October at the unique and beautiful Bruns Amphitheater–a great place to witness outdoor theater.

LAFAYETTE SCHOOL DISTRICT

The Lafayette School District educates students from kindergarten through eighth grade. The system includes approximately 3,200 students in four elementary schools: Burton Valley Elementary, Happy Valley Elementary, Lafayette Elementary and Springhill Elementary, along with one middle school - Stanley.

The District offers a full range of services based on the needs of the students, yet the basic instructional day centers around the core subjects: reading, language arts, mathematics and science. There are strong music and arts programs at all of our schools. Academically, our students continually score among the highest of all California students. Most will be college-bound after attending either Acalanes or Campolindo High Schools.

The overall success in the district is attributed to a strong, ongoing "Partnership in Education" relationship which exists among students, parents, faculty and the community. The District is proud to offer a number of special programs: reading specialists, resource specialists, library services, band, orchestra and chorus, English as a second language instruction and much, much more.

Acalanes Union High School District (AUHAD)

The Acalanes Union High School District's mission is to educate every student to excel and contribute in a global society. AUHSD delivers that quality education via four comprehensive high schools, an alternative school, and an adult education program serving the communities of Canyon, Lafayette, Moraga, Orinda, and Walnut Creek. The majority of Lafayette students attend either Acalanes High School at 1200 Pleasant Hill Road in Lafayette or Campolindo High School, just up the hill at 300 Moraga Road in Moraga.

The District ranks among the highest performing high school districts in California with an Academic Performance Index (API) of 904, the top API for a high school district in California. Student performance on the SAT and Advanced Placement (AP) tests far exceeds both the state and national averages. The District also offers outstanding extracurricular programs ranging from the visual and performing arts to athletics and service clubs, which enhance and enrich a student's high school experience. Strong academic programs coupled with an outstanding staff (100% are fully credentialed) provide students with the foundation needed to be successful in life. Over 97% of the District's graduates attend colleges throughout California and across the nation.

The AUHSD community has a history of passing local tax initiatives to supplement state funding and to maintain top quality high schools. Most recently, the District's electorate passed Measure A – a five-year $112 per year parcel tax effective July 1, 2010. This coupled with Measure G – a $189 per parcel tax – accounts for approximately 20% of the AUHSD revenues. Without the generosity of residents, AUHSD programs would be severely cut.

AUHSD schools are superior educational institutions by every measure, due in large part to the tremendous support from the community – from parent clubs, booster organizations, educational foundations, community organizations, and local businesses.

Seniors

Today, close to 20 percent of Lafayette's population is 65 years or older and these seniors are vital participants in most of the organizations that are the backbone of our community. In turn, the city has many programs to support the needs of citizens as they age so that they can continue to lead full, vibrant and interesting lives.

LAFAYETTE SENIOR SERVICES

The Center, located at 500 St. Mary's Road, offers one-stop shopping for adults 55 and over – providing support, information, educational opportunities, informational workshops, and terrific entertainment. At just $10 per year, annual membership is a fantastic value, providing members with discounts to the Center's events as well as an electronic newsletter. Each quarter, a number of classes, workshops, and events are scheduled – everything from Tea Dances every Wednesday to free legal counseling by appointment. Other highlights include free health insurance counseling (by appointment) regarding long term care insurance, Medicare, HMOs, and supplemental insurance. Look for the Caregiver Support Group held twice a month and Driver Safety Classes offered in partnership with AARP. There's so much more – call, or stop by to pick up a brochure.

Want to get more involved? Lafayette Senior Services Commission's mission is to enhance the well-being of Lafayette's older adults by identifying their concerns and needs; providing information about resources; and promoting community programs and services that enable them to live meaningful lives. The Commission generally meets on the 4th Thursday of every month from 3:30-5:30 p.m. at the Lafayette Community Center (Alder Room).

Lafayette Library and Learning Center

If the Lafayette Library and Learning Center (LLLC) offered books alone, the location and sheer beauty of the venue would make it a favored locale for local residents. But it is the 800 featured programs per year, the non-stop activity, and its ideal location at the corner of Mt. Diablo Boulevard and First Street that make the LLLC the beating heart of our community.

A typical day starts in the Homework Center where Miss Ginny enthralls a gaggle of preschoolers with story time tales. At midday, members of the Insiders Club can be found researching online baking recipes. In the evening, the wood-paneled Community Hall is filled with eager learners listening to a Pixar animator describe how she makes beloved movies, or a best-selling author discuss her latest novel. The celebrated Distinguished Speaker Series features guest authors such as Rick Steves, Cheryl Strayed and Andrew McCall Smith. Authors and Athletes welcomes local sports heroes who engage and inspire a younger audience. Meanwhile, a constant flow of 1,400 patrons per day peruse the 110,000 books, magazines, movies and DVD's. At the LLLC, there is truly something for everyone.

Contributing to the Library's rich calendar of events is the Glenn Seaborg Learning Consortium - a partnership of twelve top education, science and arts institutions, each providing outstanding programs that serve to make the LLLC a center for lifelong learning.

The LLLC welcomes you - and invites you to come and seek a new interest, or spark an old one! Visit our website for more information, and to sign-up for our e-newsletter, AdLib.

Offering on-site parking, access to public transportation and a variety of aesthetically appealing rooms, the LLLC 's central location makes it a perfect venue for meetings, special events and celebrations.

The grand Community Hall, with its stage and state-of-the-art sound and lighting features, is popular for performing arts as well as lectures, meetings and private functions. The smaller Arts and Science Discovery Center, with its wall-length white board, projector, screen and garden views, is ideal for classes and presentations. A number of smaller rooms can accommodate 2-20 people.

The Lafayette Library and Learning Center Foundation staff, together with LLLC Building Staff, work with each renter to ensure a successful event from start to finish. Please visit www.lllcf.org for a full description of the various rooms and rental rates.

TOP 5 TIPS FOR RESIDENTS

1 ORDER A SMALLER GARBAGE BIN

Even though residents have three waste bins (blue, brown, and green), your monthly charge is primarily based on the size of your blue garbage bin (20, 32, 64, or 96 gallon) and you can slash your garbage bill just by choosing a smaller blue bin.

Did you know that switching from a 64 gallon to a 32 gallon garbage bin would reduce your garbage bill by 47%, saving $285 per year?

2 FULLY UTILIZE THE BROWN BIN

Over 50 different types of paper, metal, glass, and plastic items can go in your brown bin, including almost all firm plastics, milk and juice cartons, yogurt containers, tin foil, and most lids and caps. Review the list of recyclable items atwastediversion.org. Even print and tape it to the underside of the lid!

Did you know that Lafayette's brown bin contents go to the Davis Street Transfer Station, in San Leandro, which is a state-of-the-art facility for sorting recyclables? The only problem is that most papers, cardboard, and plastics are sent to China.

3 DONATE OR GIVE AWAY UNWANTED ITEMS

Sell, donate, or give away used, unwanted goods that are still in usable condition like clothing, appliances, tools, toys, books, electronics, etc. Donating used items eliminates the need to produce new ones, which saves natural resources and energy. Utilize the many drop-off locations around Lamorinda, non-profit organizations, and Lamorinda FreeCycle.org

Did you know that in the United States, it is estimated that 12.5 million pounds of reusable goods end up in landfills annually.

4 RECYCLE YOUR FOOD SCRAPS

Utilizing the food scrap recycling program is easy! All you do is collect food scraps in a countertop compost bucket/pale and then dump into your green bin with your yard waste. Almost every type of food scrap imaginable is acceptable! More details at wastediversion.org.

Did you know that food is the most abundant material discarded by households and accounts for 32% of the residential waste stream? Food decomposes in landfills and produces methane, a potent greenhouse gas.

5 TRY TO AVOID DISPOSABLE ITEMS & UNNECESSARY PACKAGING

Try to avoid anything disposable which is meant to end up as garbage – like paper plates, disposable coffee cups, plastic flatware, plastic water bottles, disposable takeout containers, plastic shopping bags, produce bags, paper towels and disposable napkins, and unnecessary product packaging. Instead stock up on reusable items that will last for years and can be fully recycling at the end of their life.

Did you know that every year Californians produce 45 million tons of garbage, and approximately one third is packaging?
